Sourcing Your Mortgage Finance

Combining outstanding service and
advice for your financial portfolio

RedLeaf Mortgages

RedLeaf Mortgages is a UK based mortgage and insurance brokerage, which prides itself on professionalism combined with a customer focused strategy in order to provide you with the most suitable solutions for your individual needs. We have decades of experience in providing current mortgage and insurance solutions to an ever changing customer market. Working in both the residential and commercial properties market place, we strive to identify the most suitable products and packages to benefit our clients individual needs.

RedLeaf uses the latest technology to access mortgage and insurance products across the whole market which enables us to provide clients with the best available choices for their needs.

RedLeaf have specialised in facilitating cross border property ownership to both non UK nationals buying in the UK and UK nationals buying abroad*. We have experience and recognition in the acquisition of property around the world.

Your property may be repossessed if you do not keep up repayments on a mortgage or any other debt secured on it.

Further information on our products and services can be found on our website www.redleafmortgages.com

As professional brokers it is our responsibility to guide you through an infinite choice of mortgage and insurance products. With thousands of schemes available from the whole mortgage market, we aim to analyse and present to you the most suitable package for your specific needs. RedLeaf mortgages has been established to provide specialist advice to guide you through the mortgage maze. We are able to help you choose from discounted, flexible, tracker, fixed rate schemes and the more recent offset mortgages.

Our qualified mortgage consultant can advise on any products available in the mortgage arena such as:

- First Time Buyer's mortgages.
- A range of specialist and tailored mortgages.
- Client requiring high income multiples of up to 5 times income.
- Buy to Let Specialists.
- All types of commercial finance and portfolio finance.
- Development finance for both residential and commercial property.
- Finance for Overseas buyers and Offshore Mortgages.*
- Foreign Home Loans.*

Whether you are a first time buyer or home owner, a first time investor or an experienced portfolio owner, buying a property can be an emotional and stressful experience. Our aim is to make the process as easy and painless as possible.

- We are professional brokers and act only for you.
- We have access to the whole mortgage market offering you thousands of mortgage products. We will therefore be able to swiftly find a tailored solution to suit your needs.
- We pride ourselves on offering the best personal service to include organising surveys and valuations, co-ordinating bank and legal matters and keeping in touch with you regularly even if there is no news to report!
- We can also offer professional advice in other areas such as life insurance or the best way to insure your property and assets.
- We can assist you with all your mortgage and related insurance needs whether you buy a property through one of our agencies or through anyone else.
- Initial consultation is absolutely free and without obligation.**

* Changes in the exchange rate may increase the sterling equivalent of your debt.

** There may be a fee for our mortgage advice. The precise amount will depend on your personal circumstances, but our average fee is 1% of the loan amount.
